

A booklet *303 Kościuszko Squadron* is now available from the Polish Air Force Memorial Committee. It was compiled and researched by Louise Pemberton, a daughter of Wing Commander Ronald G Kellett DSO DFC VM AE, the British Commanding Officer of 303 Polish Kościuszko Squadron, when it was formed in July 1940 during the Battle of Britain.

The booklet was originally produced to accompany the Memorial Service and the unveiling of a plaque to Wing Commander Ronald G Kellett at St George's Church, Benenden, Kent on 30 August 2014.

The booklet price is £5 plus £2.00 postage. There is also a limited number of copies signed by former 303Sqn pilot Franciszek Kornicki, the last surviving Polish Squadron commander, who appears in several photographs in the booklet, priced at £8 plus £2.00 postage. As this website does not have the facility to receive electronic payments, please contact Chris Norman via email: cnorman306@gmail.com.

All proceeds will go to the Polish Air Force Memorial Committee.
